Los Angeles Regional Food Bank

2018 Boilerplate

The Los Angeles Regional Food Bank has worked to end hunger in Los Angeles County since 1973 and distributed the equivalent of more than 1 billion meals across our community. The Food Bank provides food to more than 300,000 clients on a monthly basis and distributed 70 million pounds of food in 2017 to children, seniors, working families, veterans, and other neighbors in need. To support the vision that no one goes hungry in Los Angeles, food and products are distributed through a network of more than 650 partner agencies directly to children through our Children's Backpack and Summer Lunch programs, to approximately 27,000 seniors each month through our Senior Nutrition program, and to working families and college students through our Mobile Food Panty. The Los Angeles Regional Food Bank is a 4-star rated charity by Charity Navigator. For more information, visit lafoodbank.org.
