Fighting Hunger Giving Hope

YOUR IMPACT In 2023

In 2023, amid challenges such as high living costs and the end of pandemic-era programs, nutrition insecurity in Los Angeles County increased. The LA Regional Food Bank assisted an average of nearly 900,000 people monthly through direct distributions and our expansive partner agency network.

MORE THAN
1.6 BILLION
meals have been provided
since 1973.

THE FOOD BANK IS A HIGHLY EFFICIENT
ORGANIZATION AND MORE THAN

96% OF ALL
revenue went to programs in 2023.

In 2023

115 million pounds of food and grocery products with a value of **\$214 million** were acquired and distributed.

“With all the crisis we have going on in the world now, you all are making a big impact in this city. It's hard to go into stores and get this, but you all provide it.”
