Fighting Hunger. Giving Hope.

2023 Annual Report

MAKING HUNGER HISTORY

Letter From the Los Angeles Regional Food Bank Board Chair and President

Dear Supporters,

In 2023, as the Food Bank celebrated 50 years of service, we responded to numerous challenges that kept the demand for food assistance from families and individuals throughout Los Angeles County at an elevated level, primarily due to the cumulative impact of inflation and the high cost of living locally. Thanks to the strong support of food, volunteer, in-kind and financial contributions, the Food Bank and our partner agencies served an average of 874,000 people per month throughout 2023.

Working with many partners, the Food Bank acquired and distributed more than 116 million pounds of food and product, valued at \$214 million, to families, older adults, children and individuals seeking assistance. In addition, the Food Bank's Nutrition Education, CalFresh Outreach, Children's Nutrition and Senior Nutrition programs expanded their reach and service thanks to increased financial support for these programs.

The Food Bank continued to increase the capacity of our partner agencies by purchasing refrigerated vans and trucks, commercial refrigerators and freezers and other equipment needed for their sites. This increased capacity allows our agency partners to acquire, store and distribute more perishable, frozen and other foods, helping more people seeking food assistance in their community. Our Extra Helpings Program continues to be an efficient food recovery model for our agency partners to access nutritious food in their neighborhoods and distribute people in the community.

The Food Bank also completed the installation of refrigeration and other building improvements in our 256,000 sq. ft. building in the City of Industry. This work has significantly increased the Food Bank's capacity to serve the communities of Los Angeles County for years to come.

The goal of our collective efforts is to ensure that our neighbors do not experience the devastating impact of hunger. We are heartened that we live in a place that is the home of so many generous people like you who have made hunger relief a priority, giving those in our community hope for a better and brighter future. Thank you for supporting the Food Bank as we continue to mobilize resources to fight hunger in our community.

With sincere appreciation,

Gary Kirkpatrick

Historic Support 50 Years of Fighting Hunger

The work of the Food Bank is only possible with incredible donors, volunteers, and partners. Over the years, hundreds of thousands of people have donated food, time, or funds, benefiting millions of people living in LA County.

**MORE THAN
2 BILLION POUNDS
DISTRIBUTED SINCE INCEPTION.**

Celebrating 50 years of impact, the Los Angeles Regional Food Bank has delivered more than 1.6 billion meals – an astounding 2 billion pounds of food – to people across LA County. At the heart of this remarkable journey stands Tony Collier, the visionary founder whose dedication and ingenuity laid the foundation for our mission. Starting with humble beginnings at the Grandview Foundation, Tony’s passion for helping others drove him to pioneer food redistribution, foreseeing the potential for surplus donations to alleviate hunger. With tireless determination and the support of his wife Pat, Tony began his fight against hunger armed only with a pickup truck and a garage. Tony’s legacy lives on as we continue to expand our reach, guided by his unwavering commitment to community service. Tony Collier’s story is a testament to the transformative power of one individual’s compassion. Thanks to people and organizations across Los Angeles County who also recognize the impact they can have in their community, the Los Angeles Regional Food Bank is making hunger history.

Investing in Our Future

Providing assistance to children experiencing nutrition insecurity is crucial for their growth, development and overall well-being. Many children facing food insecurity are at risk of malnutrition, which can have long-lasting effects on their physical and cognitive development. By providing access to nutritious meals, we not only address immediate hunger but also support children in reaching their full potential academically and socially.

In addition to providing food to families and children through partner agency distributions, the Los Angeles Regional Food Bank provides meals through the Backpack Program, and breakfast and lunch programs.

Fox Corporation

“Fox Corporation is proud to continue its significant support of the Los Angeles Regional Food Bank’s Backpack Program to help feed children facing food insecurity in Los Angeles County. Fox Corporation is sponsoring Main Street Elementary and Mayo Elementary schools in the Los Angeles Unified School District so kids have nutritious food to eat over the weekends.”

—Sue Kinzie, Vice President, Corporate Communications

“It helps a lot to get these meals and have them eat less junk food — these are healthy options,” said Yaricia Escobar. “I just want to say thank you because you are helping many kids get food to eat.”

“For us, being first-time parents, we appreciate the free meals because it is already prepped and ready to go. We are grateful for the food that is provided here,” said John and Ernestina.

Helping Older Adults

“You are a lifesaver. I literally do not know what I would do without you. I don’t have enough words to tell you how much I appreciate what you do.”

—Julia Fahrer

Providing food assistance to older adults, especially those grappling with medical bills and living on fixed incomes, is essential for ensuring their well-being and dignity. Many older adults face difficult choices between purchasing essential medications, paying bills, and accessing nutritious food. By extending a helping hand through food assistance programs, we not only alleviate immediate hunger but also provide vital support for overall health and quality of life. Our generous donors enable us to make a meaningful difference in the lives of older adults, offering them hope, nourishment and the assurance that they are not alone in their journey.

Julia Fahrer has faced numerous challenges. After experiencing a brain injury and homelessness, she now lives on a tight budget. Attending a local food pantry’s distribution is essential, as she lacks a fixed grocery budget. Due to jaw surgery, she relies on blended meals made from donated food. Despite her hardships, Julia’s resilience shines through as she navigates these difficult circumstances.

Client Stories

“I am disabled, and my husband is retired. Everything in the store is so pricey. The food is a blessing. When I don’t have to buy food at the store, I am able to pay our mortgage. Everything we receive, from the bread, chicken, milk, helps me be able to stay within our limited budget. When my grandkids come to visit, they especially enjoy the sweets. I’d like to say thank you. This is a huge help.”

—Maria

“This support helps us with our budget. We can make full meals from the veggies alone. Sometimes, they’ll have diapers too. I have a grandson who is premature. Thank you so much because it does help us a lot.”

—Catalina

“This help allows me to take on other expenses... It is a blessing for us to receive this support. To all those who support, I thank you with all my heart. It’s a huge help.”

—Alicia

Generous Philanthropists

“ We consider ourselves fortunate to contribute to our community by supporting the distribution of millions of healthy meals to children, families and seniors across LA County. Volunteering at the Food Bank with our children is not only enjoyable but also serves as a valuable lesson in giving back to the community by demonstrating the importance of providing a helping hand to those who are less fortunate and preparing them to be future leaders and supporters of hunger relief. ”

Together, #WeFeedLA.

—Robert and Claire Keane

Thank You, Team #WeFeedLA!

Michael Flood (left) and Jim Yukevich

Congratulations to Jim Yukevich, who has worked with his family, friends, and colleagues to raise substantial funds, allowing the Food Bank to provide millions of meals to people across Los Angeles County. By leveraging his network and leading by example, Jim embodies the spirit of generosity and community engagement, inspiring others to join in our cause.

The annual fundraising and volunteering campaign **Food From The Bar** engages legal firms, law schools and legal services organizations in a friendly competition to raise funds, collect food and volunteer hours, benefiting the LA Regional Food Bank's mission to combat child hunger during the summer months, having raised over \$6 million since its inception in 2009.

Renowned chefs, LA Rams players, including Super Bowl MVP Cooper Kupp, and guests gathered at SoFi Stadium for the eighth annual **Taste of the Rams**, raising crucial funds for the LA Regional Food Bank's mission to combat hunger.

The second annual **A Million Reasons** Dinner featured superstar LA chefs and celebrity sous chefs, including Jeff Goldblum, Ted Danson, Mary Steenburgen, Dylan McDermott, and Sam Waterston, and showcased an exclusive performance by Gladys Knight. The event was hosted by Keri Selig and Keith Addis and raised funds for the LA Regional Food Bank.

The **2023 Season for Sharing** at Omni Hotel Los Angeles celebrated key contributors in the fight against hunger, featuring Michelle Fisher, ABC7 Eyewitness News anchor, as emcee, highlighting the LA Regional Food Bank's impactful partnerships, and recognizing significant donors and organizations.

Events

Feed SoCal

The 12th annual Feed SoCal Food Drive, a collaborative effort by LA Regional Food Bank, ABC7, and others raised funds and facilitated food donations to combat food insecurity, supporting the 2 million individuals, children, individuals and families facing hunger in LA County.

Coming Together for Food Distributions

The Los Angeles Regional Food Bank is grateful to the Los Angeles professional athletes and athletic organizations that gave back to their community in 2023, including the Los Angeles Rams, the Los Angeles Dodgers and Los Angeles Dodgers Foundation, the Los Angeles Clippers, the Los Angeles Chargers, and others.

Help for the Hungry

NBC4 and Telemundo's annual Help for the Hungry campaign returned in the fourth quarter of 2023, supporting local food banks and providing meals to families throughout Southern California. This year, they included a food distribution at Eastmont Community Center, a partner agency of the LA Regional Food Bank.

Michael Schur and Jennifer Philbin

"We love this city, and this community, and are happy that our monthly contributions help provide nutritious meals to thousands of families facing food insecurity. We are proud to support an organization that makes such a difference in the lives of so many."

Community Spirit: Newlife Community Church

Newlife Community Church in Pomona, situated along historic U.S. Route 66, upholds a tradition of aiding people in their community through their weekly food distribution, impacting hundreds of families weekly. With the pandemic exacerbating economic hardships, Newlife saw a surge in demand, from serving 800 to 1,600 families per week. Individuals like Joed Torres, once food insecure, now volunteer, embodying the ethos of giving back. Newlife's outreach extends to multigenerational families and provides essential support amidst rising inflation. Your support ensures vital assistance reaches those most vulnerable in our community.

The Los Angeles Regional Food Bank's Mobile Food Pantry

The Los Angeles Regional Food Bank's Mobile Food Pantry (MFP) directly addresses food insecurity by bringing nutritious food to underserved communities and populations, including those in food deserts and on college campuses.

During the COVID-19 pandemic, many MFP distributions were converted into large-scale drive-through distributions, which were featured regularly in national and local news, making the images of long lines of cars and food going into trunks a central symbol of pandemic relief.

Today MFP, walk-up and drive-through distributions are ongoing and are essential in the fight against hunger.

City of Industry Update

The Food Bank's New Distribution Center

The generous support of the community has made this project possible. Key milestones include the construction of cold storage, loading docks, pallet racking, the Freeberg Conference Center, the Donald Goodman Family Foundation Volunteer Center, and the S. Mark Taper Foundation Food Rescue Center. The final phase of the project, which includes the installation of a solar panel system, will be completed in the coming months.

Fundraise

Start a #WeFeedLA Fundraiser

A #WeFeedLA team page is a fast, easy and convenient way to put food on the table for hungry neighbors in our community. It saves you the hassle of a trip to the grocery store and transporting heavy cans. It also saves time and resources for the Food Bank as it allows us to skip the sorting and storage processes. This is a great way to inspire your family, friends and coworkers to join you in fighting hunger in LA County.

Have Your Gift Matched

Double your impact by having your gift matched by your company if your employer has a matching gift program.

The LA Regional Food Bank also engages with local, state and federal government to advocate for policy that would decrease the overall need for food assistance.

Planned Giving

Donors Making Big Impact With Future Gifts

Donors who include the Los Angeles Regional Food Bank in their estate plan are helping the Food Bank mobilize resources to fight hunger in LA County. Planned Giving donors, including those who have joined the Legacy Society, ensure that the Food Bank can impact those we serve well into the future.

Tami Smason

Through her years of volunteering, Tami also became a donor. So when she was working on her estate plan, she didn't think twice about supporting the Food Bank's mission of alleviating hunger and, at the same time, supporting the hundreds of thousands of individuals who continue to struggle with food insecurity throughout LA County each month.

"I worked hard in my career, and I saved some money," Tami said. "I definitely have family to leave it to, but you can do both. I really want to feel that I've made some positive mark on the world. In addition to helping my family, I want to help my community."

To join the **Legacy Society** or if you have already included a planned gift for the Los Angeles Regional Food Bank and wish to be listed, please contact Debra Beadle at (310) 569-3180 or dbeadle@lafoodbank.org.
