LOS ANGELES REGIONAL

# 2024 Annual Report

# Letter From the Los Angeles Regional Food Bank Board Chair and President

Dear Friends of the Food Bank,

The year 2024 was a challenging yet ultimately successful year for the Food Bank as we marked 51 years of service to the communities of Los Angeles County. We continued to respond to the high demand for food assistance from families and individuals due primarily to our area's high cost of living and the impact of inflation. Thanks to the strong support of food, volunteer, in-kind and financial contributions, the Food Bank and our partner agencies served an average of 947,000 people per month throughout 2024.

Working with many partners, the Food Bank acquired and distributed more than 131 million pounds of food and product, valued at \$217 million, to families, older adults, children and individuals seeking assistance. In addition, the Food Bank's Nutrition Education, CalFresh Outreach, Children's Nutrition and Senior Nutrition programs expanded their reach and service thanks to increased financial support for these programs.

The Food Bank continued to increase the capacity of our more than 600 partner agencies by purchasing refrigerated vans and trucks, commercial refrigerators and freezers and other equipment needed for their sites. This increased capacity allows our agency partners to acquire, store and distribute more perishable, frozen and other foods helping more people seeking food assistance in their community. Our Extra Helpings Program continues to be an efficient food recovery model for our agency partners to access nutritious food in their neighborhoods and distribute the food to people in need.

In September 2024, the State of California requested that our Food Bank increase service to the South Bay area of Los Angeles County due to the issues related to a food bank in Long Beach. Our Food Bank team responded quickly by onboarding more than 100 new partner agencies in a few weeks to ensure that food continued to reach families and individuals in the South Bay.

The goal of our collective efforts is to ensure that our neighbors do not experience the devastating impact of hunger. We are heartened that we live in a place that is the home of so many generous people like you who have made hunger relief a priority, giving those in our community hope for a better and brighter future. Thank you for your support of the Food Bank as we continue to mobilize resources to fight hunger in our community.

With sincere appreciation,

Gary Kirkpatrick

Gary Kirkpatrick Chair, Board of Directors

Michael Flood
President and CEO

## **Vision**

No one goes hungry in Los Angeles County.

## **Mission**

To mobilize resources to fight hunger in our community.

- Source and acquire nutritious food and other products and distribute them to people experiencing nutrition insecurity through our partner agency network and directly through programs;
- Energize the community to get involved and support hunger relief;
- Conduct hunger and nutrition education and awareness campaigns and advocate for public policies that benefit the people we serve.

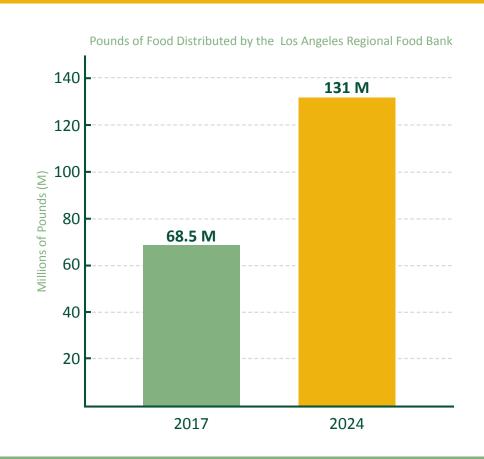

## Scaling Up to Meet the Demand in 2024

## **Providing Nutrition Security**

In 2017, the LA
Regional Food
Bank distributed
68.5 million
pounds of
food and other
products.

By 2024, that number nearly doubled to 131 million pounds.

Food distribution increased by 12% in 2024 when compared to 2023.

131 million

pounds of food and essentials. **\$217 million** in value.

Equivalent to

105 million

meals.

Providing food to more than

600 partner agencies

**IN 2024,** healthy food options remained a priority for Food Bank distributions.

131 million pounds of food was distributed.Of that, 38 million was fresh produce.

95% of food
distributed was rated
as nutritious or
highly nutritious.

## **Fighting Child Hunger**

Child hunger is more than just an empty stomach. It affects nearly every aspect of a child's life, from their physical health to their ability to concentrate and succeed in school. Without proper nutrition, children are at a higher risk of developmental delays, weakened immune systems, and chronic health conditions such as diabetes and heart disease later in life. Hunger also takes a toll on a child's emotional well-being, leading to increased stress, anxiety, and difficulty focusing in the classroom.

Julio, a father of three, including a newborn and a child with special needs, lost his job, making it difficult to put food on the table.

Thankfully, the LA Regional Food Bank and its partner agency, Sowing Seeds, provide essential support, including nutritious food and holiday distributions. Programs like the After-School Meal Program, BackPack Program, and Summer Meal Program ensure children receive the nourishment they need to learn, grow, and thrive.

"In order for our kids to achieve success, we have to offer these programs," —Thomas J. Lynch, Principal of Friends of St. Lawrence-Watts Youth Center.

Families like Julio's rely on these vital resources not just for food, but for the stability and hope they provide.

## **Client Stories**

We're a single-income household, so this really helps, especially with how outrageous grocery prices have gotten. Every time I stand in line, I see families from all kinds of backgrounds, countries, and ages. I know so many people are deeply thankful for this resource. Some families might not have food without it. I'm very grateful. It's definitely a lifeline. I always get excited afterward to see what we got and to look up recipes. We end up making some pretty yummy meals we might not have made otherwise.

- Anthony & Ariella

It makes me happy knowing my children are eating and not going hungry. We feel blessed because they're eating. There are other children who aren't able to eat.

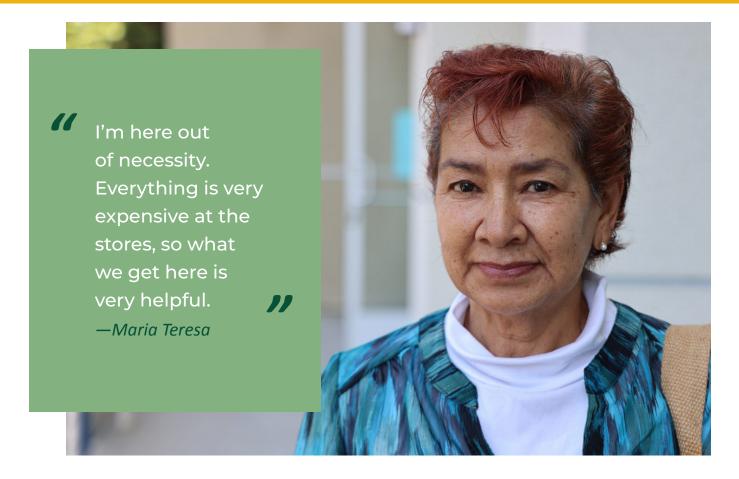

I just want to say thank you for everything you've done. Even the smallest gesture means a lot, it's a very big blessing. Because there are people who don't have what we have. Just having one meal a day is more than a blessing.

- Zulia

## **Senior Nutrition**

Older adults are among the most vulnerable populations to struggle with food insecurity. The rising costs of food, rent, utilities, and everyday essentials are making it difficult for seniors to survive on a fixed income. Many opt to skip meals or perhaps medications to make it through the month.

Without proper nutrition, more senior adults risk increased disability, decreased resistance to infections, weakened immune systems, and declined mental health. Older adults must maintain a nutritious diet, as doctors often prescribe medicine, assuming that patients reach a healthy caloric intake threshold.

Maria Teresa is one of the hundreds of individuals who attend the food distribution at Hollywood Community Housing, a Los Angeles Regional Food Bank partner agency. Though she receives a retirement check and CalFresh benefits, it's simply not enough for her and her family to consistently put food on the table. Therefore, the food distributions made possible by the Food Bank help supplement what she receives, adding an extra dose of nutritious food.

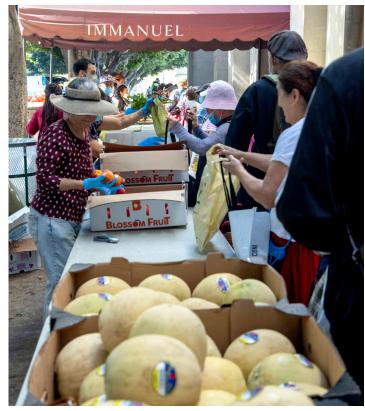

Philanthropic gifts provide older adults with the dignity and security they deserve, especially those facing food insecurity. For many seniors, the rising cost of living means making difficult choices between food, medication, and housing, all while living on a fixed income.

My husband, he's supposed to be retired, but he continues to work," says Chong, a retiree who relies on food distributions from the Los Angeles Regional Food Bank. "I'm retired, so I'm doing something for my family, and the Food Bank helps.

Thanks to generous donors like the **Nesbitt Foundation**, seniors can access nutritious
food, which helps them maintain their health,
reduce stress, and feel secure in their ability
to care for themselves and their families
during their retirement years.

These gifts make it possible for older adults to live with dignity, knowing they won't have to sacrifice their well-being for basic needs.

## **Fighting Child Hunger**

# Food and nutrition insecurity is devastating for children.

No child should have to worry about where their next meal is coming from, yet far too many do. Going to school on an empty stomach can hinder a child's ability to learn and reach their full potential. In Los Angeles County alone, an estimated one in four children might not know when they will get their next meal. This lack of reliable nutrition in childhood puts their health, development, and future success at risk, underscoring how dire the crisis of child hunger truly is.

# Thank You, Team #WeFeedLA!

Elementary schools, high schools, college organizations, and various companies hosted fundraising events to support the Food Bank's mission that no one goes hungry in Los Angeles County. We would like to give a special thanks to USC Panhellenic, who hosted two fundraisers and raised over \$19,000. Thank you USC, and all of our #WeFeedLA participants, for making our work possible.

# Thanks to compassionate donors, the Food Bank is making a life-changing impact.

Fueled by your generosity, the Los Angeles Regional Food Bank is actively combating child food insecurity in 2024 through a range of targeted programs. In 2024, the Food Bank provided healthy breakfasts, after-school meals, lunches, grocery kits, and fresh produce to thousands of children throughout Los Angeles County. For example, the Afterschool Meal and Summer Lunch programs together distributed tens of thousands of nutritious meals to children in need, and the BackPack Program provided hundreds of thousands of pounds of groceries for students at high-need schools. Community partners, government partnerships, and generous donors fuel this life-changing work. An impressive 96% of every donated dollar goes directly to programs that feed children, families, and seniors in need.

Thanks to your support, the Food Bank and its partners make a huge difference, guaranteeing that many children get the nutrition they need to grow and succeed.

## **Events**

The **Third Annual "A Million Reasons"** Fundraising Event united nearly 200 guests who came together to support the Los Angeles Regional Food Bank and its work to alleviate hunger throughout LA County. The fundraising event was hosted by Food Bank board member and Platinum donors Keith Addis and his

wife Keri Selig at their home in the Hollywood Hills. It was made possible by generous sponsors, including United Airlines who was the presenting sponsor. The evening included an exclusive performance by five-time GRAMMY® Award nominee, Robin Thicke.

Food From The Bar gathers legal firms, law schools, and legal services organizations to see who can raise

the most funds, acquire the most food, and work the most volunteer hours to feed the children of Los Angeles County over the summer months. Since the campaign began in Los Angeles in 2009, it has raised more than \$6.5 million.

With Andrew Whitworth as the Master of Ceremonies, hundreds of individuals gathered at SoFi Stadium for the **Ninth Annual Taste of the Rams**. Delicious food and beverages were prepared by renowned local chefs. The proceeds benefit the essential work of the LA Regional Food Bank.

# SEASON FOR SHARING

In The 22nd Annual Season for Sharing, emceed by ABC Michelle Fisher, ABC7 Eyewitness News weekend anchor, the Food Bank honored donors, individuals, and organizations that made a significant contribution to the fight against hunger in Los Angeles County.

## **Distributions and Volunteer Events**

# ABC's Feed SoCal

In its 13th year, ABC7's Feed SoCal united businesses, media, and community supporters to fight hunger across Southern California. The campaign collected over 7,500 pounds of food, and raised more than \$140,000 to benefit local food banks, including the Los Angeles Regional Food Bank. Key partners, Stater Bros. Markets, Subaru, Helpful Honda, and others, helped ensure that nutritious food reached those who needed it most.

# NBC4/Telemundo 52's Help for the Hungry

NBC4 and Telemundo 52's Help For The Hungry campaign continued its longstanding tradition of raising funds and awareness around nutrition insecurity. In partnership with Ralphs, Food 4 Less, and generous donors, the initiative has raised millions of dollars over the years. This past holiday season, the campaign featured a major food distribution at Central City Neighborhood Partners, providing critical nutrition assistance to hundreds of families in need.

These initiatives provide essential food resources and send a powerful message that no one should face hunger alone. The overwhelming generosity of viewers, customers, and corporate partners demonstrates the strength of community collaboration, ensuring thousands of families receive the nutritious meals they need during challenging times.

In Los Angeles County, where one in four people are estimated to face food insecurity, the Los Angeles Regional Food Bank is responding thanks to strong partnerships and the vital support of volunteers. From the Los Angeles Rams, the Los Angeles Clippers, the Los Angeles Football Club, and the Los Angeles Dodgers to USC student athletes, and dedicated community members, volunteers are the heartbeat of our mission—helping us stretch resources and serve more neighbors.

The work we do would be impossible impossible without our corporate and community partners. Their commitment allows us to serve more people more efficiently.

-Roger Castle, Chief Development Officer

## **Community Spirit:**

# **Ephesus Church**

You don't know the impact you're having in the community. We get calls all the time from people asking if we have food. We are here to serve the community.

—Diva Jones Moses

Located in South Los Angeles, Ephesus Church, winner of the Food Bank's Community Spirit Award, provides its community with basic services, including hot meals, food distribution, hot showers, and clean clothes for the homeless community. A rise in the cost of everyday essentials like food, gas, and rent was putting pressure on the budgets of many individuals and families, single or multi-income households.

Led by its Community Service Director, Diva Jones Moses, she recalls a mother and her daughter in the community attending their food distributions. The family was there to pick up food not just for themselves, but for their neighbors in need who may be too shy or proud to ask for help. The family returned on a day when there wasn't a distribution scheduled, but they stopped by just to let Jones Moses and her crew know how grateful they were for their services.

## **Mobile Food Pantry**

The Los Angeles Regional Food Bank's Mobile Food Pantry (MFP) delivers fresh, nutritious food directly to underserved communities across LA County, especially in food deserts, and on college campuses where hunger is a growing crisis. By taking food to where it's needed most, and rescuing perishable items before they go to waste, the Mobile Food Pantry makes an immediate, tangible impact. Donors and sponsors play a vital role in sustaining this lifeline for our community.

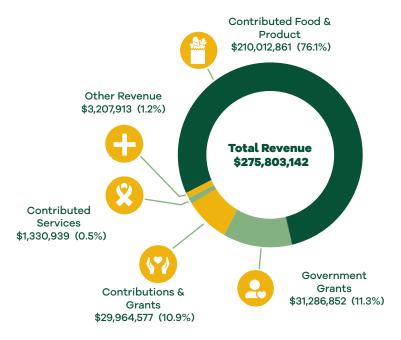

The Food Bank is grateful for the support of partners like Delta Air Lines, whose renewed commitment helps sustain Mobile Food Pantry efforts across highneed communities in Los Angeles County. Thanks to their generosity, more neighbors can access the nutrition they need with dignity and care.

## **City of Industry Grand Opening**

On June 22, 2024, the Los Angeles Regional Food Bank held the grand opening of its City of Industry Distribution Center. Thanks to generous donors, the Food Bank acquired and renovated the space, significantly increasing its capacity and its partner agency network throughout LA County.

The new facility will help provide food and nutrition assistance to more neighbors than ever before. It will enable the Food Bank to continue to expand essential nutrition assistance programs that address food and nutrition insecurity across the County.

The space was optimized as a state-of-theart food bank to fight hunger effectively. Renovations included the construction of 40,000 sq. ft. of cooler and freezer space, pallet racking and production areas, a loading dock with 20 dock positions and a LED lighting installation.

The **Donald Goodman Family Foundation** contributed \$1 million to name the Donald Goodman Family Foundation Volunteer Center, a hub of compassion and service that will empower our volunteer program to reach new heights. The S. Mark Taper Foundation provided \$1 million in funding to name the S. Mark Taper Foundation Production rooms where volunteers sort, glean, and pack food items for our neighbors.

#### The Don and Lorraine Freeberg Foundation

sponsored the Freeberg Conference Center for \$1 million. The Center consists of several conference and media rooms for nutrition education training, policy meetings, agency training, and convening other constituent groups to help in the fight against hunger in our community.

The Food Bank's City of Industry Distribution Center will substantially improve the Food Bank's operations and increase capacity through agency partnerships and direct distributions.

LAFoodBank.org/donors

## Albertsons Donates \$200,000 to the **BackPack Program**

### **BackPack Program**

The BackPack Program provided grocery kits containing 817,713 pounds of nutritious food to children at high-need schools in the Los Angeles and Compton Unified School Districts. The Food Bank launched Home Delivery for the children participating in the BackPack Program whose families face mobility and transportation barriers. In 2024, BackPack Home Delivery served 1,242 children per month at ten sites.

29

#### **Donate**

Donations can be made online at:

LAFoodBank.org/donate

Or you can send your check to:

Los Angeles Regional Food Bank

1734 East 41st Street

Los Angeles, CA 90058

#### **Join Our Monthly Giving Program**

Through a monthly gift charged automatically to your credit card or other payment account, you can alleviate hunger in LA County. Your gift allows us to provide nutritious meals all year long.

LAFoodBank.org/monthly

#### **Fundraise**

A #WeFeedLA team page is a fast, easy and convenient way to put food on the table for hungry neighbors in our community. It saves you the hassle of a trip to the grocery store and transporting heavy cans. It also saves time and resources for the Food Bank as it enables us to skip the sorting and storage processes. This is a great way to inspire your family, friends, and coworkers to join you in fighting hunger in LA County. LAFoodBank.org/wefeedla

#### **Have Your Gift Matched**

Double your impact by having your gift matched by your company if your employer has a matching gift program. LAFoodBank.org/match

#### **Advocate**

The LA Regional Food Bank also engages with local, state and federal governments to advocate for policy that would decrease the overall need for food assistance.

#### **Join the Legacy Society**

You can make a future gift to the Food Bank through your will, trust, or a beneficiary designation of your retirement assets, insurance or Donor-Advised Fund. Leaving a gift to the Food Bank means your impact will be felt for generations. If you have already designated a gift to the Food Bank, we would love the opportunity to thank you for your thoughtful generosity.

LAFoodBank.org/plannedgiving

# Make a Contribution in Honor or in Memory of a Special Person

Honor the memory of a loved one or celebrate the accomplishments of a friend or family member by making a tribute gift. CTA

#### **Volunteer**

In 2024, more than 21,000 volunteers gave their time and energy to the Food Bank. Without these volunteers, the Food Bank would need to hire additional full-time employees to meet the demand.

Become a **Hunger Hero** who helps make our work possible **LAFoodBank.org/volunteer**

Feeding LA Tomorrow Legacy Society

was founded to recognize those donors who provide support through a planned gift.

## **Planned Giving**

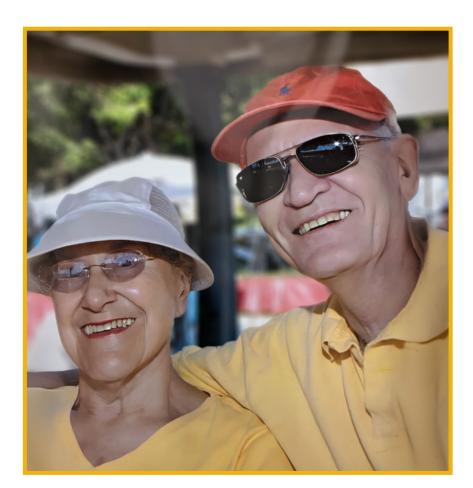

## **Honoring Virginia and Kenneth Dunst:**

## A Legacy of Generosity

Virginia and Kenneth Dunst were quiet but impactful philanthropists. Their generous estate gift to the Los Angeles Regional Food Bank will provide millions of meals across Los Angeles County, reflecting their lifelong commitment to fighting hunger.

Although they had no children, they were deeply moved by the struggles of hungry children and families. Their belief that no one in America should go hungry inspired them to include the Food Bank in their estate plan and as an IRA beneficiary, ensuring their legacy lives on.

We are deeply grateful to Virginia and Kenneth. If their story inspires you, consider including the Food Bank in your estate plans to help us fight hunger in our community.

## **Everyone Can Do Something to Help Fight Hunger**

#### Join the Legacy Society

You can make a future gift to the Food Bank through your will, trust, or a beneficiary designation of your retirement assets, insurance or Donor-Advised Fund. Leaving a gift to the Food Bank means your impact will be felt for generations. If you have already designated a gift to the Food Bank, we would love the opportunity to thank you for your thoughtful generosity.

# What does it mean to be a

**Hunger Hero?** 

# **Just look** at Lisa!

Lisa has dedicated over 1,000 hours to fighting hunger in our community. From packing essential food kits for our older adult programs, distributing food to families experiencing food insecurity, sorting fresh produce, and warmly welcoming new and returning volunteers—Lisa does it all.

She has worked on the front lines and also behind the scenes, consistently supporting our neighbors in need. From the challenges of the COVID-19 pandemic to the recent wildfires, Lisa has stood by the Food Bank every step of the way.
