TO: Agency Representatives

FROM: Elizabeth Cervantes, Director of Agency Relations and Product Acquisitions

SUBJECT: 2017 All Agencies Conference

You are cordially invited to the 26th Annual All Agencies Conference, “Collaborating for Clients”, which will be held on Thursday, May 11, 2016.

This year’s conference was planned by a conference committee that consisted of agency representatives and the Agency Relations team. The committee produced great ideas for this year’s conference to help inspire our attendees and offer useful workshops. We invited a few key community partners to discuss their work and how it affects us as nonprofits working to end hunger in Los Angeles County.

There are workshops for new agencies, long standing agencies, and large or small agencies. We are offering workshops such as fundraising, social media, and public policy among many others.

Attendees whose agency participates in the Emergency Food Assistance Program (EFAP), are encouraged to attend the “EFAP Review” workshop. This workshop is designed to give you a more thorough understanding of the EFAP program and how to effectively manage this government funded program.

We encourage attendees to register for the disaster preparedness workshops presented by Red Cross Los Angeles Region. These workshops will provide information on how to prepare your organization and clients to assist Los Angeles in case of a disaster.

Please find the following conference documents enclosed:

- Registration Page (including conference agenda)
- Workshop Descriptions
- Directions to the conference - Quiet Cannon in Montebello

I ask you to please register as soon as possible so we can get an attendee count for planning purposes. All registration forms must be received by Friday, April 21, 2017.

I look forward to seeing you at the conference on May 11th!
