

# 2021

## IMPACT REPORT

LOS ANGELES REGIONAL

Fighting Hunger Giving Hope

In addition to the Food Bank's regular work fighting hunger in LA County, your support was critical to our ongoing pandemic response throughout 2021 as families and individuals continued to face economic hardship and food insecurity.

Thanks to your support,

**900,000**

people received food assistance  
each month in 2021.

The Food Bank is a highly efficient  
organization and more than

**96% OF ALL**

revenue went to programs in 2021.

# In 2021,

**131 million pounds** of food and grocery products were distributed - enough food for **107 million meals**.

Thank you for your support throughout 2021 as the Food Bank team continued our essential work, providing much-needed food assistance to people throughout all of LA County. As a nonprofit organization, your support is what makes our work possible.
