

ANNUAL REPORT

LOS ANGELES REGIONAL

Fighting Hunger. Giving Hope.

2019

THANK YOU TO OUR DONORS, VOLUNTEERS AND
SUPPORTERS FOR MAKING 2019 A RECORD-BREAKING YEAR.

Letter from the Board Chairperson and President

“More food distributed than ever before, and more people helped than ever before.”

Dear Friends of the Food Bank,

Thank you for making 2019 our most successful year to date. Your support allowed us to acquire and distribute nearly 82 million pounds of food and product, the equivalent of 66 million meals for our neighbors in need. Donations from our food partners set a new record in 2019. Our community also continues to be generous with their time; the total number of volunteers exceeded 30,000, the equivalent of the work of 65 full-time employees. Financial supporters of the Food Bank generously provided a record-breaking 16.6 million dollars to help those in our community facing food insecurity.

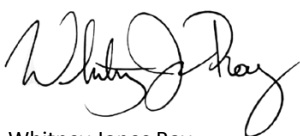

We continued to help improve the capacity of our 600 partner agencies by purchasing commercial refrigerators and freezers, refrigerated vans and trucks, and other equipment needed for their sites. This increased capacity allows our agency partners to acquire, store and distribute more fresh, frozen and other foods helping more people seeking food assistance in their community. Our Extra Helpings Program continues to be an efficient food recovery model for our agency partners to access nutritious food in their neighborhood and distribute the food to people in need.

The Food Bank significantly increased service to older adults, college students, families and children during 2019. Our Senior Expansion Program led to new partnerships with more than 100 of our agency partners to reach more older adults in their community. Our Mobile Food Pantry distributions increased at community colleges to improve access to food for students and in other geographic areas to reach more families with children. Our Children's Nutrition Programs also increased service in 2019, reaching children in after-school settings, community centers and schools throughout Los Angeles County.

Public policy continues to be an important focus for the Food Bank. In addition to increasing our CalFresh Outreach efforts, Food Bank staff traveled to Sacramento and Washington D.C. to advocate for policies that would help those who face food insecurity. Our advocacy work continues at the local level to increase access for all food programs.

Los Angeles County faces many challenges, including having an estimated 2 million people who experience the devastating impact of food insecurity. Yet, Los Angeles County is also home to thousands of generous people like you who have made hunger relief a priority, giving those in our community hope for a better and brighter future. Thank you for your support of the Food Bank to help us mobilize resources to fight hunger in our community.

Best regards,

Helping Children

No Child Should Go Hungry in Los Angeles County.

Our donors and volunteers enabled us to help thousands of children each month through our various programs, including: the Backpack Program, the After School Meal Program, the Summer Lunch Program and others. Visit LAFoodBank.org/children for more information.

Supporters of the Food Bank helped us provide after-school meals and food during breaks to children who rely on school meals for their nutrition. The Mobile School Pantry and Summer Lunch Programs each distributed roughly 70,000 meals, and the After School Meal Program distributed 280,000 meals.

The Food Bank also continued to provide nutrition education in 2019, teaching children, their families and seniors about the importance of healthy nutrition and lifestyle choices.

RIOT GAMES

“Riot Games is proud to be a sponsor of the Food Bank’s BackPack Program to provide food for children over the weekends when they do not have access to school meals. When people, in particular kids, don’t know where their next meal is coming from, nothing else matters and they can’t reach their full potential. We are proud to volunteer and offer financial support to help fulfill the mission that no one goes hungry in our community.”

Helping Seniors

Helping Older Adults Have a Healthier and Happier Future

Almost one fifth of the people who receive food from our programs or through our partner agency network are 60 years of age or older. Without access to food assistance, many of these individuals may skip meals in order to afford bills and medication. Fortunately, thanks to the generosity of our community, food is provided to older adults so they can live longer, healthier lives.

Providing Nutrition to the Homebound

Thanks to a generous gift from an anonymous donor, the Food Bank is continuing to expand service to older adults, including those who are homebound. Lydia, for example, receives food each day from a Food Bank agency, delivered directly to her door.

“All of this is a great big help for those who are in need.”

LYDIA

The Doheny Foundation

“As a funder committed to improving basic needs for vulnerable populations, the Carrie Estelle Doheny Foundation is proud to invest in the outstanding work of the Food Bank. They have a deep understanding of the needs of our food-insecure neighbors, serving them efficiently and with dignity.”

- Nina Shepherd,
Chief Administrative Officer and Chief Financial Officer

“KCRW, Los Angeles Public Media station, is proud of its longstanding partnership with the LA Regional Food Bank, which provides critical services to the Los Angeles region. It is a privilege to help feed Southern California, especially through this crisis, with our members’ support. Our partnership grew from our closely aligned missions to enrich, nourish and provide vital services and information to our communities.”

Kim Ishikawa, Head of Membership, KCRW 89.9

Zac Duvernet, Founder and GM at CouponCause.com

Team #WeFeedLA

Team #WeFeedLA is the Food Bank's fundraising program for those who want to raise funds from their network of family, friends and colleagues to help food-insecure children, seniors, families and individuals in Los Angeles County.

CSI Electrical Contractors, Inc. has been raising funds for the Food Bank since 2016. Last year, they raised nearly \$14,000, which provided enough food for 55,000 meals. We appreciate the continued support from CSI Electrical Contractors, Inc. and all of our Team #WeFeedLA fundraisers.

For more information about starting your fundraiser, visit LAFoodBank.org/WeFeedLA.

At CSI Electrical Contractors, Inc., we believe that building better includes making intentional investments in our people and communities. We are tremendously grateful to partner with the LA Regional Food Bank in support of their tireless efforts to provide nutritious food to people in the LA area.

CEO, CSI Electrical Contractors, Inc.**

Events

Taste of the Rams

The fourth annual Taste of the Rams event attracted 400 guests and raised more than \$150,000 to benefit the Los Angeles Regional Food Bank. To date, this annual event has raised roughly \$650,000 – enough for the Food Bank to provide food for more than 2.5 million meals.

Howlin' With Harris

Billy Harris and his friends supported the Food Bank again in 2019 with multiple events throughout the year, including the “Howlin’ With Harris” barbeque, which was hosted on-site at the Los Angeles Regional Food Bank.

LA Chargers Give Back

The Los Angeles Chargers teamed up with Tyson Foods to provide food to those in need in LA County.

Season for Sharing

The 17th Annual Season for Sharing

Luncheon honored donors, individuals and organizations that have made significant contributions toward the fight against hunger in Los Angeles County.

James Yukevich - Fighting Hunger Giving Hope Award

David Bishop - Dennis Winston Memorial Leadership Award

Buddhist Tzu Chi Foundation - Community Partner Award

Mary Agnes Erlandson of St. Margaret's Center - Tony Collier Award

Food From The Bar

Food From The Bar has raised \$4.5 million to fight child hunger. LA's legal community schedules its fundraising efforts to replenish Food Bank resources during the summer months – a particularly difficult time for parents with children who rely on school meals and who lose access to those meals when school is not in session.

Feed SoCal

The LA Regional Food Bank teamed up with ABC7, Albertsons, Vons, Pavilions, Subaru, ESPN LA 710 and generous shoppers and donors for the 8th Annual Feed SoCal Food Drive and Stuff-A-Truck Event, providing enough food for 394,911 meals for our neighbors in need.

Agency Network

Fighting Hunger Takes All of Us

The Food Bank works with a network of 600+ partner agencies, allowing food to be more efficiently distributed throughout all of Los Angeles County. These partner agencies are critical in the fight against hunger.

BUDDHIST TZU CHI FOUNDATION

Buddhist Tzu Chi Foundation was honored with the Food Bank's Community Partner Award in 2019 and provides a wide variety of services, including food, to its clients. In 2016, the Foundation learned that someone had broken into a school in San Bernardino. They started the program after discovering that students from the school were breaking into the cafeteria because they needed food.

THE MOBILE FOOD PANTRY

The Mobile Food Pantry (MFP) is on the front lines of hunger relief, distributing directly to clients who have unreliable or insufficient access to adequate food. It is an invaluable resource, particularly in low-income communities without reasonable access to a traditional food pantry, as well as on college campuses where hunger among students is a growing problem.

With the ability to travel, the MFP can address food insecurity where it hurts the most, while finding homes for fresh, perishable food items before they go to waste.

SPONSOR SPOTLIGHT BARILLA

In 2019, Barilla generously sponsored an MFP distribution. In addition to providing nutritious food to our neighbors in need, Barilla also hosted food preparation demonstrations to teach clients how to prepare the donated food including delicious Barilla pasta.

“We are proud to sponsor the Mobile Food Pantry, and thankful for the opportunity to provide nutrition education on-site for those in need.”

— Chef Gino Campagna
