## ServSafe Information Sheet

Serving safe food is not an option, it is a requirement. Knowing how to safely order, receive, store, handle, cook, and serve food is extremely important in any food service establishment. Not only does it prevent your clients from getting sick but it also decreases food and labor costs, and it will help create a safe working environment for you and your staff.

### What is ServSafe?

ServSafe is a nation-wide program offered to provide food facility operators the basic knowledge to serve safe food.

### Why should I become ServSafe Certified?

According to the California Health and Safety Code section 113700-113733, "Each food facility shall have an owner or employee who has successfully passed an approved and accredited food safety certification examination."

### What types of classes are available at the Food Bank? (Courses are for active member agencies ONLY)

**Online:** This is an independent study course provided online. The student will be assigned a **course access key** to take the course online at their own pace. Once the online course is completed, the **student must contact the Food Bank to schedule an exam date & time.**

### What is the passing score for the ServSafe exam?

The exam consists of 80 multiple choice questions. The examinee **must get 60 questions or more correct to pass.**

He/she may retake the exam if they do not pass.

#### Retest Policy:

- Exam can only be taken twice in a 30 day period
- On 3<sup>rd</sup> attempt, must wait 60 days from the 2<sup>nd</sup> attempt
- No more than four attempts in a 12-month period

### How long is the certification valid?

In the State of California, the **certification is good for 5 years.** After 5 years, the person must retake the exam.

### What is the cost of the online course?

**On-line:** \$135- This includes the online course, on-site exam, and certificate

**Exam/ Exam Retake:** \$35- This covers the cost of the exam and certificate
