Mission

To mobilize resources to fight hunger in our community.

To fulfill our mission, we:

- Source and acquire nutritious food and other products and distribute them to people experiencing nutrition insecurity through our partner agency network and directly through programs;
- Energize the community to get involved and support hunger relief;
- Conduct hunger and nutrition education and awareness campaigns and advocate for public policies that benefit the people we serve.

Our Vision:

No one goes hungry in Los Angeles County.

About the Los Angeles Regional Food Bank:

The Los Angeles Regional Food Bank has been mobilizing resources to fight hunger in Los Angeles County since 1973. To support the Food Bank's vision that no one goes hungry in Los Angeles County, food and grocery products are distributed through a network of 600+ partner agencies and through Food Bank programs serving 800,000 people monthly. In response to the COVID-19 pandemic, the Food Bank tripled the number of people reached every month. The Food Bank is a 4-star rated charity by Charity Navigator. For more information, visit LAFoodBank.org.

Food Bank: Fast Facts

- The Food Bank distributes more than four million pounds of food each week and serves more than 800,000 people each month.
- We have distributed enough food for more than 1.53 billion meals since 1973.
- The Food Bank distributes food through more than 600 partner agencies and directly through Food Bank programs.
- Your gift can multiply in impact when combined with other cash donations, purchased and donated foods, so that 96% of every dollar goes back to the community.
- Our work is good for the environment. The food donated by retailers is perfectly good food that, oftentimes, would otherwise end up in a landfill.
